

'Tis the Season to Be Jolly.....

Happy Holiday Season to all Clow Creek Farm residents. This year has been a good year for Clow Creek, as the board was able to accomplish several projects that had been in the works for some time. I would like to send a special thanks to all the board members that dedicate their time from their busy lives to help make Clow Creek a better place to live.

This past November, we hosted our annual meeting at Nevins Pub Library Room in an effort to give a change of scenery, and it was fairly well attended. Thanks to everyone who dared miss the Cubs playoff game for the annual meeting, your dedication will be forever duly noted!!! At that meeting, all existing board members asked to remain on the board, and with no other candidates asking for the positions, all will remain on the board.

This year at the annual meeting, a newer member of our subdivision has volunteered to become webmaster for the board, and maintain our website. Jeremie, thank you for your help which could not have come at a better time, as the previous provider has ended their operations. Our website remains out of commission for the time being, but we are told it may be up prior to the printing of this newsletter. If you are in need of any documents for real estate transactions or other information from the board, please contact a board member through Facebook or email. Thank you in advance for your patience.

As the holidays quickly approach, the board would like to thank all the neighbors who have taken part in the parkway tree decorating, with consists with the long time tradition on white lights on top and alternating red and green lights around the tree trunks. And while we are on the subject, all walkers please keep an eye open for extension cords on the sidewalk. With winter in full swing, please make sure all walks are kept clear of snow for the kids walking to bus stops throughout the neighborhood. If you are in need of a helping hand with the snow, please use the Facebook page to contact our young neighborhood entrepreneurs.

The board looks forward to a productive new year, as members are anxious for the privilege to be able to serve our neighbors. Please look for the reminder of the annual dues, which are due January 1, 2017. If you have any questions, please contact any of our board members. In closing, I would like to wish you all a Merry Christmas and Happy New Year.

And with that being said.....Carl Reina, President Clow Creek Farm HOA
