

Hello Clow Creekians,

Can't believe October is here already, and Halloween is right around the corner! With the fall weather also brings falling leaves. From October 30 through December 15, 2017, the City offers a free yard waste collection program. During this time, homeowners may dispose of yard waste in 32-gallon paper yard waste bags or clearly labeled cans or carts, free of charge, each week on their normal garbage collection day. Branches and other yard waste that are tied into bundles require a sticker at all times.

We hope everyone who attended the block party enjoyed themselves, and thanks again to our sponsors for the refreshments. Thank you to the residents of Cloverdale Road for allowing us the opportunity to hang out on their front lawns. This year, Rob Gosma came up with a way to track numbers for attendance, which are in the meeting minutes. Thank you Rob for your hard work! Once again, the block party was fun was, and it was a success on that account alone.

November is the annual meeting for the Clow Creek Farm Homeowners Association. This year the meeting will be held at the Naperville Public Library located at 3015 Cedar Glade Rd, Naperville, IL on Tuesday, November 7, 2017, at 7:00 P.M. As in the past, we will hold the annual elections for new and existing board members. Please consider taking the time to come out and vote, or even become a board member yourself. **If you cannot make the meeting, please take a moment to complete a proxy form, which is located in the Newsletter and posted on the website ([ClowCreekFarm.com](http://ClowCreekFarm.com))** You can either drop your completed proxy form off with **any board member or fellow resident who will be attending the meeting.** Board members will also be coming around to collect the proxies if you are unable to get one to us.

This year at the annual meeting, Mr. Nick Stanitz will be in attendance to discuss his hopes to become part of our subdivision with the development of the Clow Family Farm. Please know that his firm is still in the process of purchasing the land, and plans are still in the process. We will also invite Mrs. Clow to the annual meeting to give her a chance to meet some of the Clow residents, and a chance for us to thank Mrs. Clow and her family for everything they have done to assist with the development of the neighborhood we call home.

Lastly, the board would like to thank Jeff Sell for all of his efforts over the years and his hard work that he put into our board and community. Thank you Jeff for all your contributions to Clow Creek Farm!"

Thanks for reading, and we hope to see everyone at the meeting!

"and with that being said..."

Carl Reina

CCFHOA, President
