

Well, my favorite time of year is upon us. Summertime is in full swing; the kids are out of school and out to play. Please make sure to drive safely through the neighborhood, keep an eye out for the kids, and pay attention to the road workers as well. As if the main artery construction isn't enough, the sidewalks and curbs are currently under repair, so please be careful when you go on your walks through the subdivision.

This year the weather actually cooperated with the garage sale. Ads were placed on all the garage sale sites, signs were out, but the traffic was at an all time low. My kids managed our family's garage sale, and anything that was sold was done through the Facebook Marketplace and LetGo apps. Truly disappointing!!! Not sure if we're doing it wrong or if the apps have made people just not come out anymore?

We had our bimonthly meeting on May 2, please be sure to read the minutes which are in the newsletter and on the website. Some of the items discussed were regarding the impact of the new development on our landscaping, which is due to come up for bid this year for next year. Oak Hill Builders has provided us a plot to use for bidding purposes, which will give us a better idea as to the cost impact of adding the new area.

Also discussed was the Annual Block Party, which will be held on August 25, 2018. Typically the event kicks off around 3 PM, so get the bag chairs and get ready for a good time. This year, we will be seeking some sponsors for the event, to defer the cost of our party.

National Night Out is an event that we are looking to host this year as well. The event will take place on August 7, 2018. National Night Out is commonly called "America's Night Out Against Crime." This nationwide event is designed to heighten drug prevention and crime awareness, generate support and participation in local anti-crime efforts, and strengthen neighborhood spirit and police community partnerships. Thanks to Frank P. for taking on this endeavor, much appreciated.

Please remember to reach out to any board member if you have any questions or concerns, or would like to get involved. There are quite a few new neighbors in the subdivision, and we are always looking for residents to get involved. Phil Murray is in the process of reviving the block captains. I'm sure he would love to hear from you....."And with that being said...."
